### Gardener's Quote of the month:

I think that I shall never see  
A poem lovely as a tree.  
A tree whose hungry mouth is  
prest  
Against the earth's sweet flowing  
breast;  
A tree that looks at the sky all  
day,  
And lifts her leafy arms to sway;  
A tree that may in Summer wear  
A nest of robins in her hair;  
Upon whose bosom snow has  
lain;  
Who intimately lives with rain.  
Poems are made by fools like me,  
But only the Creator can make a  
tree.

**Reminder:** Zumba happens at Tuesday & Thursdays at 11:00 in AL lounge. Participants were asked “What does Zumba mean to you” Some answers were: Happiness, movement, fitness, and community. What a great group of people! Be sure to check it out 😊

**Reminder to everyone:**

Hummingbird food should be replaced every 3 to 5 days and feeders should be cleaned at least once per week. In the height of the summer months, when the weather is consistently hot and humid, nectar can ferment much more quickly

**Joke of the month:**

What happened to the plant in math class?

A: It grew square roots

A big shout out to Doug and Canadian Linen for letting us borrow the truck to bring out all the

plants for our sale!  
Thank you, Doug for also grilling up our hotdogs

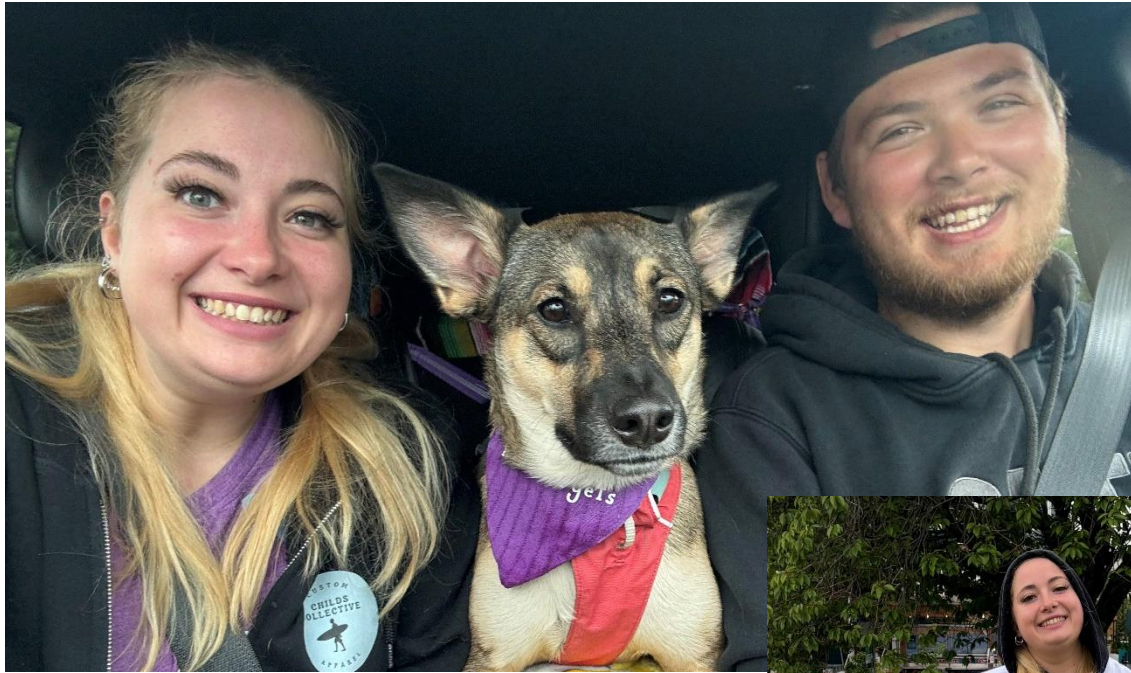

Also, a big thank you to everyone who donated items towards the sale and Barb for harvesting some of the plants from our beautiful gardens

Hayley participated in the Walk for Alzheimer's and was able to raise \$435 to donate to the Alzheimer's society  
Thank you everyone for your support!
